Reminders

Uniforms are not required for the summer months. However, closed toe/heel shoes are a must! Sandals and flip flop are cute, but are not safe on the playground. Sunscreen Permission Slips along with the sunscreen with your child's name on it should be sent in by the end of May. Every child needs their own sunscreen. Siblings cannot share. Spray is by far the easiest for the teachers to apply in the PM.

Please remember to apply sunscreen on your child before the arrive each day!

Our Learning

The Summer Calendars are complete and will be sent out next week. At this time, fieldtrips are not included. Rather than venture out of the safety of our PPS bubble, we are scheduling the fun to come to us. The confirmations on these are pending but will be added to the Summer Calendars ASAP. Just a reminder, the learning never ceases at PPS. Please have your child to school no later than 9 AM

At-Home Practice

Self regulation is the key to school readiness and more powerful than IQ as a predictor of academic success.

- Continue to practice proper handwashing with your children.

- During a afternoon outing take notice of all the colors, noises, shapes, opposites, similarities, letters, numbers, etc.
